2. Recently the attached travel voucher was sent to this office by the Travel Office for signature. However, since the matter of TDY extension beyond the 180 day period has not yet been approved, the travel voucher is being returned pending final resolution of this matter. As [Redacted] has now been assigned to Washington PCS, it is recommended that the claim for per diem in the Washington area be disallowed and that approval be granted for extension of TDY while the subject was in the Los Angeles area beyond the 180 day period.

25X1
3. Therefore, the approval for extension of TDY is requested to only include the time between the expiration of [Redacted] 180 days (1200 hours 22 Jan 1956) through his arrival in Washington (2300 hours 18 March 1956, or such date as is approved after examination of travel time).
